The screenshot displays a payment interface with the following elements:

- Payment Method Selection:** Three main categories are visible: INSTANT PAYMENTS (with logos for NETELLER, Skrill, VISA, and MasterCard), CRYPTO PAYMENT (with Bitcoin and T logos), and BANK TRANSFER (with currency symbols \$, €, £, ¥).
- Instant Payments Providers:** A grid of logos for various providers including VISA, NETELLER, Skrill, QPraxis, myFicoorah, korapay, pagsmile, Pluswallets, THAI QR PAYMENT, PaymentAsia, CebuPay, PayTrust, and others.
- Form Fields:** A dropdown menu for "Trading account *" showing "33565272" and a text input for "Amount *" with a "€" symbol.
- Buttons:** An "Edit billing information" button and a prominent "NEXT" button at the bottom.
- Footnote:** Two lines of small text: "*Account funding must be made from an account that has the same name as the one on your trading account." and "**Once you click NEXT, you will be redirected to the Praxis cashier system in order to complete your payment."
